Dear Mr. Weisberg,

Many thanks for your letter of the 19th May. It was very welcome. As you will see from the above address, I am in London at the moment. I will be here for the next few months, so you can reply to me at this address.

In 'Oswald in New Orleans', you make reference to File 1203a, the June 4, 1964, Report of FBI agents deBrueys and Callender of their interview of Carlos Bringuier. You quote a passage from this report, beginning on page 205. On the sixth line of this passage, the name 'RAUL' is mentioned.

I would be obliged if you could give me any information at all on this man. What is the 'joke' referred to? Who was the letter addressed to? Could you get me a physical description of RAHC? Any information would be greatly appreciated.

I know that you will understand that I cannot state my interest in this man until I have all the necessary facts, some of which I hope you can supply.

Thanking you in anticipation of your prompt reply. With best wishes for a very Happy Christmas.

Yours Sincerely.

Christopher Scally.
